- Announcing the brand new Cruise & Rendezvous Registry

## USPS Cruises & Rendezvous on National Website.

A registry of many Squadron Cruises and Rendezvous is available on the USPS web site. Filling out the form on the web site allows one to select a district and a range of dates to show what is happening throughout that district. If you leave the fields blank, all districts, states, and all dates are shown. [Click here](#) to try it. First time I tried it I entered just Wisconsin, but Door County did not show up. So then I tried with just District 10. Then Door County Cruises showed up.

Next I tried with all the blanks empty except for the year and found another group going to the North Channel immediately before the Door County group goes.

12-20 July 2008 -

### Columbus Sail & Power squadron

- North Channel ON, CA, Trailer Boat Cruise.  
This week long cruise will offer our trailer boaters a cruise most have never experienced. We will be trailering to Tobermory CA, then Little Current, and on to Perry Sound.
