

SHIPPING-OVER AWARD FALL

This is also called the P/D/C having the greatest renewing their annual this award is a large silver wooden base. The large "P.D.C. Jack C. Owens award does not have the base. The Shipping-Over the 1983 Spring Conference. the Squadron Membership Retention Award. This grand trophies that the district awards.

Jack C. Owens Award and is presented to the Squadron percentage of members membership. The trophy for bowl mounted on a square bowl bears the inscription "Award". It has a large blue front of the base which is purpose of the award. This name of the winners on the Award was first presented at The award is also known as

The District Membership Chairman will furnish the Awards Chairman with the results as described below:

1. The winner will be determined as the squadron with the highest percentage of **active and additional active** members renewing as shown on the official Dues Transmittal report filled in by the Squadron Treasurer and mailed to arrive at National headquarters by 30 June.
2. National mails the dues transmittal forms to each Squadron Treasurer listing every member of the Squadron. Next to each name, the treasurer indicates whether that member renewed, did not renew. Other categories include whether a member transferred or is deceased.
3. Those members deceased or transferred will not penalize the actual number of members renewing.
4. When the Squadron Treasurer mails this report to National, he will also mail a copy of the entire report to the District Membership Chairman. This copy **MUST BE IN HIS HANDS** on or before 1 August each year. If the copy is not submitted, then that squadron will not be eligible for the Award that year.

The Awards Committee determines the winning Squadron.
