*Happy
 Mother's
 Day*

From the Bridge ΨΨΨ®

Cdr. Bob Weber

You've heard the phrase before, "you should have been there". Well this time "You should have been there"! A couple of Sundays ago we had an excellent sailing cruise around the bays on the Handsome Sailor's 37 foot catamaran *Isla*. See Page 4 for pictures.

The weather could not have been better, scattered clouds, comfortable temperatures, and calm seas, with just enough wind for a great sail.

We left Conn Brown Harbor and cleared the ICW Bridge by between 6 inches or 2 feet, depending on who you believed. Then we cut the engine and raised the sails. Tom Doran, AKA "Handsome Sailor", is always entertaining with stories of his travels and adventures.

Luckily for everyone who missed it, everyone aboard agreed we'll do it again, probably a longer sail with lunch next time. The cruise was followed by dinner at Hampton's Landing. The food there is always good.

Don't be in the "I should have been there" group next time.

I thought it was interesting they changed the rules for the USPS membership challenge for 2010, using a percentage gain which rewards smaller squadrons.

"The rules for the Membership Challenge have been changed to make the program fair to smaller squadrons. According to the new rules, the squadron with the most new members during 2010 will receive three airline tickets to Orlando for the 2011 Annual Meeting, and the squadron with the greatest percentage gain in membership will also receive three airline tickets to Orlando."

Of course then the problem is who gets the tickets....

"The single commandment of anchoring is "thou shall create scope."

Education Update---May, 2010

SEO Frank Vogelsang

According to USPS policy, the NEO will acknowledge course credit and grades for members who have completed Coast Guard licensing programs. Jason Wendt, who holds a U.S. Merchant Marine Officer’s License, has received credit for S, P & AP and the Grade of AP.

Joyce Roach, SN has completed plans, including the class and instructor schedule, for the ABC-3 public boating classes starting May 4 at the Corpus Christi Marina. My thanks to all who have volunteered to teach and help out with the course.

Everyone is working very hard on the JN studies. In the May classes we will concentrate on Almanac data extraction, sight reduction, the celestial LOP, plotting celestial LOPs and meridian transit of the sun.

Congratulations to Tom Chandler for his successful completion of Piloting. He plans to pursue AP.

Bruce and Vickie Nunez are still waiting for their AP examination results from National.

Congratulations to Steve Roach, Bob Weber and Tim Vogelsang in their successful completion of the Instructor Development course.

Steve has also been awarded the grade of SN and will receive the USPS Educational Achievement Award. Also, Bob has earned the USPS Educational Proficiency Award.

May Recipe Tangy Shrimp & Scallops

- 28 large shrimp, peeled and deveined
- 28 sea scallops
- 1/2 cup butter or margarine
- 7 tablespoons lemon juice
- 5 tablespoons Worcestershire sauce
- 2 teaspoons garlic powder
- 1 teaspoon paprika

1. Place shrimp and scallops in a large resealable plastic bag. In a microwave-safe bowl, combine the butter, lemon juice, Worcestershire sauce, garlic powder and paprika. Microwave at 50% power for 1-1/2 minutes or until butter is melted. Stir to blend; set aside 1/3 cup for basting. Pour remaining marinade over shrimp and scallops. Seal bag and turn to coat; refrigerate for 1 hour, turning occasionally.
2. Drain and discard marinade. Alternately thread shrimp and scallops on metal or soaked wooden skewers.
3. Grill, uncovered, over medium-hot heat for 6 minutes, turning once. Brush with reserved marinade. Grill 8-10 minutes longer or until shrimp turn pink and scallops are opaque.
